Subject: Request for issue of NOC (No Objection Certificate) for inclusion of D.El.Ed programme in our curriculum.

Dear Sir

This letter bears the reference of NCTE Regulations 2014 in which every B.Ed College is expected to extend its curriculum by including multiple teacher training programmes. Our college managing committee has decided to include D.El.Ed course. We need a NOC from you to apply for the new course.

Please note that.

1. We are a three year old B.Ed college having recognition of NCTE and affiliation of Vinoba Bhave University.
2. That we had obtained an NOC from the DEO before applying for our B.Ed. Course
3. We have successfully completed one academic year and our students of 2013-14 batch have already appeared in final examinations
4. NCTE has given us recognition for 2014-15 and 2015-17 batches as well. We have also obtained affiliation of VBU for both these sessions
5. We fulfil all eligibility criteria for starting D.El.Ed course
6. We are willing and prepared for all inspections from your end.

Please treat our application expediently as the last date for applying for the new course is June 30, 2015 and we were informed quite late that we need your NOC for processing of our application at NCTE.

Regards

Prabhu Narayan Roy
President, College Management Committee

Enclosures:

1. Recognition Letter of NCTE
2. Affiliation Letter of VBU
3. Copy of clause 5 of Regulation 2014 of NCTE

Subject: Reminder for NOC (No Objection Certificate) pertaining to D.El.Ed course to be started in our college from 2016-18 session.

Dear Sir

Please treat this letter as urgent because any further delay at your end will result in denial of recognition of course aforesaid by NCTE (National Council of Teacher Education), and we will not be able to convert our college into a composite one as required by revised NCTE Regulations 2014.

Please note that:

1. We first approached District Education Officer (DEO) of our district in the last week of April for the NOC aforesaid. Since he is also in-charge of Dhanbad district, no decision was taken on our application for almost one week. The official informed us that the rules have changed and we need to apply directly to the Jharkhand Academic Council.
2. We approached Secretary, Jharkhand Academic Council (JAC) in the first week May who told us that the council was no more authorised to issue NOC and we need to apply directly to HRD Department of the state.
3. Upon contacting your office, we were asked to apply with recognition letter of NCTE and affiliation letter of Vinoba Bhave University which we did on June 13, 2015. Please refer our letter no SSSB.Ed./Pr/15/10 dated 13/06/2015.
4. As of now we have not received any reply related with our request. This may result in disqualification of our application for starting D.El.Ed course in addition to our already existing B.Ed. course.
5. We have already made huge investment for extending our infrastructure as advised by NCTE for starting a new course and we will incur heavy losses if our application is turned down by NCTE. Besides, it will result in loss of opportunity for the deserving students of our district.

Please do the needful at the earliest and oblige
