71st Republic Day Celebrated

S.S.S. B.Ed. College, B.S.City celebrated the **71st Republic Day** of India. Dr. S.M. Kumar hoisted the National Flag. In his address to the massive gathering hinted the past aggressions through sword and trade by the Asian and European invaders and warned the present conspirators of different hues.

The function was not only entertaining but also educative as the educational institutions are expected to educate our children with National Spirit and ability to see through the anti-national characters.

All the members and students participated with fervor and dispersed with sweets in their hands.
